

Major Academic Plan (MAP) for Catalog Year 2024-2025

The catalog is the final authority on CATC and major requirements; this is intended as a tool for planning purposes. Student course sequencing may vary depending on course offerings and other variables.

<p>Fall Semester 1</p> <p>ECON 211 Principles of Microeconomics</p> <p>CORE 101: First Year Seminar CORE 131: H. H. Flourishing (1) First-Year CATC options-</p> <ul style="list-style-type: none"> ▪ COMM 101: Oral Comm (2) ▪ ENGW 103: First-Year Writing ▪ Language Core Competency 	<p>Spring Semester 1</p> <p>ECON 212 Principles of Macroeconomics* (2) MATH 235: Calculus I^{1*}</p> <p>First-Year CATC Options Language Core Competency BITH 211/ARCH 211: Old Testament</p>	<p>Summer 1</p> <p>Consider study, internship, or research options – Wheaton In summer program, WIN (HoneyRock), Wheaton in the Black Hills, FPE Abroad: International Study Program⁵, non-major internship, summer research</p>

Notes or Special Guidance for Majors:

*Course has prerequisite

^F Fall only course

^S Spring only course

[#] Offered every other year

¹ Courses that meet CATC tags (with max of 3 from major counting for Christ at the Core Thematic Core): ECON 211 (SI), MATH 235 (AAQR). Many of the Economics and Business/Economics elective courses carry CATC Thematic Core Tags.

² B EC 341: Principles of Marketing , B EC 342: Management, and BEC 367: Principles of Finance can be taken in any order.

³ B EC 321: Statistics and B EC 226 Financial Accounting are prerequisites for B EC 367 Principles of Finance.

⁴ 6-8 credit hours of specific electives are required for the Business Analytics major. Choose from: BEC 227 (4), BEC 229 (2), BEC 355 (4), BEC 362 (2), BEC 364 (4), BEC 369 (4), BEC 377 (4), and BEC 382 (2).

⁵ Business Analytics students need 2-4 elective credits from any BEC or ECON prefix.

-Economics and BEC courses tend to fill quickly. It's very common for our majors to focus on their general education courses in their first two years and take lots of courses for their Business-Econ major in their third and fourth years. The first two years are also a good time to take supporting courses in fields like mathematics, statistics, computer science, and communications if students aren't getting into their first-choice Business-Econ classes.
