### Games, Water Activities, Outdoor Adventure

**Activities:** Our Day Camp leaders plan some super fun games for campers. This includes (but isn't limited to!) relay races, obstacle courses, fort building, and team building games.

**Cabin Impact:** Cabin leaders prepare fun, interactive lessons to bring God's Word to life and encourage your camper's walk with Christ.

**Beehive:** This is the store at HoneyRock that sells snacks, apparel, and other fun gear. You can load your camper's account with money to spend throughout their Day Camp session.

## BEEHIVE STORE

### Overview

The Beehive is our camp store where campers can purchase snacks, beverages, clothing, souvenirs, basic toiletries, postcards, stamps, and more! While we do offer sweet treats, there are healthy options available including trail mix, granola bars, and sparkling water.

If you have expectations for how the money is or is not spent, it is your responsibility to have the conversation before your camper's session. This is a great opportunity to grow responsibility in your camper!

### Setting Up Your Camper's Beehive Account

All camper sales in store are on an account-only basis (no cash). These accounts should be set up prior to camp as you register online. You may add to this account at any time through your camper's itinerary. We recommend \$30 for each week your camper attends camp with a \$10 minimum.

## FROM THE HONEYROCK HEALTH CENTER

On behalf of the HoneyRock Health Center, hello! My name is Sara Waltz, and I am the Health Services Supervisor. I have been a nurse for over twenty years and have three children of my own. I first came to HoneyRock as a parent to drop off our oldest at Intro Camp. All I could think about was "is she even old enough to be here?!" Now, all of my kids can't wait to attend each summer.

One of the biggest questions we receive concerns homesickness - know that we treat it just as we would a scraped knee - with understanding, compassion, and support.

Our Health Center is staffed by a volunteer doctor, two summer nurses, a weekly volunteer nurse, two nurses' aides, and me. We have clinic hours Monday through Friday in both the morning and afternoon. On Saturday and Sunday, we continue to see campers on an as-needed basis.

Rest assured that your campers are well cared for by our team, many of whom have (or had!) campers at HoneyRock.

## TRANSPORTATION TO AND FROM HONEYROCK

### Drop Off at HoneyRock

Please bring your camper directly to HoneyRock and plan to arrive at 9:15am every morning. Upon arrival our staff will direct you to the check-in area. Please pick your camper up at 3:00.

### Pick Up from HoneyRock

**If someone other than the parent or guardian is picking up your child from HoneyRock, please give the completed Transportation Authorization Form to a staff member at check-in.**

### If Not Attending for a Day

Please notify the HoneyRock receptionist by 9:00am if your camper will not be attending that day.

## PACKING FOR CAMP

### Prescription Medications

All medications must be given to the camp nurse at Check In. They will be distributed during the session only by our Health Center Staff. We ask non-prescription medications (e.g. Advil) and

herbal supplements are not sent with your camper. . Ibuprofen and Tylenol are available in the Health Center.

*Day Campers are expected to have taken their morning/breakfast medications prior to arrival at HoneyRock.* Please send only the medications your child will need at lunch time. Our staff will pass out these meds at the lunch meal.

*Prescription medication must be in the original labeled container, not expired, and with the camper's full and legible name.* Place container in a clearly labeled plastic zipper bag. Include detailed written instructions. Send enough for the entire session do not send non-prescription medication including supplements.

*Do not forget to send rescue inhalers and/or epipens if needed.* Day Camp counselors will carry those items for easy access. If a camper arrives without necessary rescue medications, the parent will be contacted to bring them to HoneyRock or transport the child home until they are made available.

**If your camper needs to take medication during the day, please remember to include/update all medication information in your camper's registration BEFORE arriving at check in. This will streamline the check-in process.**

It is important that all medication

- Arrives in the original prescription package
- Labeled with camper name & dosage
- Includes special instructions, if applicable
