Wheaton College Student Health Services Emergency Contact Information and Treatment of Minors

Emergency Contact Number for Minor's Parent or Guardian:

All active Wheaton College students that are minors (less than 18 years of age) must have a parent or guardian that can be contacted in case of a medical emergency or if medical treatment is needed. The parent or guardian must be a responsible adult preferably greater than 21 years old and present in the United States of America.

The following student			, (nerea	πer
"Minor") DOB:	, ID#	, is a	minor.	
The following person(s) are	e the named parent or	guardian:
